B2C PRODUCTS | FINTECH | 0-to-1 & GROWTH | AI & AUTOMATION

PROFILE

Product Lead with 8+ years building and scaling B2C digital products across fintech, retail and HRTech. Led cross-functional teams of up to 25 specialists across lending, mortgage, rewards, marketplaces and automation. Impact includes +37% loan applications, +62% retention, 30% of company hires through a new acquisition channel, 80% operational cost reduction and 73% AI-driven support automation.

EXPERIENCE

RENMONEY | Product Lead, B2C Lending Feb 2025 - Present

- Lead B2C lending across application, eligibility, offers, renewals and top-ups; coordinate a 20-person cross-functional team across engineering, QA, BA and design.
- Launched pre-approved lending, increasing loan applications by 37%, and built the end-to-end Renewal journey, increasing retention by 62%.
 - Led 0-to-1 Risk-Based Pricing for Personal and Self-Employed loans; designed BPMN flows and target architecture and coordinated four teams to centralize decisioning within 2 months.
 - Redesigned experimentation via Risk Engine configuration, enabling A/B tests without app/backend releases and cutting setup time from 3-4 weeks to <=5 days.

LEROY MERLIN | Product / Delivery Lead Mar 2021 - Nov 2024

- Led recruitment, employee and internal digital products across 111 stores + HQ, coordinating teams of up to 20 people.
- Replaced recruiter/call-center screening with automated WhatsApp flows; rolled out in 3 months, cutting processing from ~40 min to 5-7 min and costs by 80%.
 - Built a 0-to-1 employee referral platform with personalized links and automated attribution, scaling referrals to 30% of all company hires.
 - Redesigned the recruitment funnel, reducing time-to-hire from ~1 month to <=2 weeks for stores and ~3 months to <=2 months for HQ.

TINKOFF BANK | Product Manager Jan 2017 - Nov 2020

- Mortgage & Real Estate -> B2B Cross-sell -> Rewards. Owned end-to-end digital journeys and led delivery across teams of up to 25 specialists.
- Built a 0-to-1 Rewards Partner self-service platform spanning offer setup, approvals, e-contracting and activation; reduced operational effort by 80% and enabled 300 additional partners.
 - Led AI-powered Rewards support automation and voice flows; reached 73% of requests handled without manager intervention.
 - Launched a 0-to-1 real-estate marketplace in 1.5 months, generating 40K incremental partner leads in month one.
 - Launched data-driven pre-approved mortgage to 300K selected customers, generating 60K applications in the first month.

SELECTED 0-to-1 PRODUCT

PLAI ARENA | Product Lead / Creator 2026 - Present

- Built and launched a solo sports community platform covering discovery, UX, architecture, AI-assisted development, testing and production.
- Automated registration, waitlists, payments, matchmaking, ratings, results and tournaments; reached ~200 users / ~180 MAU, 2 active clubs and ~1K recorded match results within ~2.5 months.
